Edwin Tyler Sr. Mustered Out.

Edwin Tyler, Sr., passed away at the home of his son, George Tyler, at Salem, S. D., Wednesday, March 3, after a short illness.

Mr. Tyler was at first taken sick a few weeks ago with the grippe, which later developed in pneumonia from which he died.

The deceased was an old and highly respected resident of Nashua and spent many years of his life in this vicinity, although for several months past he had made his home with his son in Dakota. Mr. Tyler was one of "the boys in blue" and was never happier than when participating in some event given by the G. A. R.'s, to which he belonged.

The remains were brought to this city Saturday morning, where the funeral was held at the Congregational church at 12 o'clock that day, Rev. Sinden officiating, and the remains were laid to rest in Greenwood cemetery.
