Frederick Paul Dies Suddenly.

Frederick Paul died very suddenly at his home in Fremont township last Thursday night. His death was entirely unexpected and consequently the news of his demise brought with it that shock to his friends which is greater because it was not looked for. He was apparently in the best of health when in Nashua three or four days previous, but a hard attack of pneumonia soon exhausted his strength.

Frederick Paul was born in the province of Prussia, Germany, October 28th, 1834. He served his time in the Prussian army, and became a citizen of the United States while yet a young man. He enlisted for the Civil war into Co E, 20th Wis., infantry volunteers on the 13th day of August, 1862, from which he was discharged on the 14th day of July, 1865, receiving an honorable discharge for meritorious and gallant service, mustered into Geo. W. S. Dodge Post, No. 192, department of Iowa, G. A. R., July 29th, 1886, of which he remained a faithful member until his death.

Mr Paul was twice married, his first wife dying many years ago. His second wife and six children still survive. Mr Paul was an honest, industrious and patriotic citizen, leaving behind him an honored name. The funeral was held at St. Mark's Episcopal church in this city on Sunday at 10 o'clock a. m., Rev. H. C. Johnson and the G. A. R. post officiating. The burial was at Oak Hill.
