

THE NASHUA REPORTER - 11 JULY 1901

The sad news reached us of the death of Joseph Dickson, of Charles City. He was one of the boys that wore the blue in 61, and one of the early settlers of Chickasaw county, living on the old farm until poor health compelled him to move to town, which he did this spring. The death angel called and he bade good bye to this world to join the army above. He was a kind neighbor and no one in need ever asked alms of him in vain. He will be missed by all, but the most by his family, of whom he was very fond. The vacant chair can never be filled. The family have the sympathy of all in their hour of sorrow.
