CEMETERY RULES AND REGULATIONS (Proposal)

Part One - PURCHASE OF LOTS OR SPACES

1. Lots or spaces in the Oak Hill Cemetery ("Cemetery") that are owned by the Oak Hill Cemetery Association shall be available to all people who make application to purchase them. The charge for the said lots or spaces in said Cemetery shall be fixed from time to time by the Board of Trustees.
2. Applications for purchase of and payment for lots or spaces shall be made at the office of the President of the Oak Hill Cemetery Association, in Nashua, Iowa.
3. Cemetery lots or spaces are deeded to the purchaser for Cemetery purposes only, and shall be used under the rules and regulations prescribed by the Board of Trustees for such use.
4. The Association will have plats available, showing the location, size and price of the lots or spaces.
5. Burial arrangements and payment for grave openings shall be made with the President of the Oak Hill Cemetery Association.

Part Two - TRANSFER OF LOTS AND SPACES

Lots or spaces in the Cemetery shall be transferred by a transfer of deed or receipt from the Board Secretary. All deeds shall convey lots or spaces for burial purposes only, subject to the rules and regulations of the Cemetery.

Part Three - ABANDONED LOTS OR SPACES

All abandoned lots or spaces, as set out in Iowa Code Sections 566.20 to 566.27, shall revert to the Oak Hill Cemetery Association. Upon completion of the abandonment of such lots or spaces, the Oak Hill Cemetery Association may sell the same and convey deed thereto.

Part Four - CARE OF LOTS OR SPACES

1. The general care of the Cemetery is assumed by Board of Directors and includes the cutting of grass at reasonable intervals, cleaning of grounds, pruning of shrubs, trimming of trees which have been placed by the Cemetery, and filling and seeding graves and low areas.
2. The general care assumed by the Cemetery shall in no way be construed as meaning the maintenance, repair, leveling or replacement of any grave monument, marker, stone, or concrete base.
3. All grading, landscape work and improvements of any kind, and all care of lots, shall be done, and all trees, shrubs of any kind shall be planted, trimmed or removed, and all interments, disinterment and removals shall be made only by Cemetery or Cemetery contracted personnel.
4. Effective July 1, 2014, all bushes, plantings of floral pieces (either annual or perennial varieties) upon individual graves or lots shall be prohibited unless in permanent urns or in plant hangers secured in cement foundations. All plantings will be removed and Cemetery or Cemetery contracted personnel will seed the area with grass.
5. The Cemetery shall not be liable for damage to gravesites, markers or monuments resulting from the Cemetery's care or maintenance of the cemetery grounds.

Part Five - RESTRICTIONS

1. Out of respect, all work of any description should cease while a funeral or interment is being conducted nearby. It shall also be required that trucks and workmen withdraw to a reasonable distance from the location of the funeral service.
2. Approaching the bereaved for the purpose of soliciting any business within the Cemetery will not be permitted.
3. No fences, hedges, shrubbery, floral pieces (either annual or perennial varieties), landscaping or enclosures of any kind shall be permitted around any lots or spaces.
4. Trees may be permitted to be planted if approved by the Board of Directory, but not within 50 feet of another tree. The Board of Directors must approve the species and location.
5. The use of wooden rough boxes or crypt-beds is prohibited in burials within the Cemetery and only sealed concrete vaults and sealed urns shall be used, except for County burials.
6. No trees, shrubbery, markers, plantings or obstacles will be placed in the walkways or alleys between lots or spaces.

Part Six - GRAVE DECORATIONS

Summer Months-April 15 Thru November 15.

Fresh flowers, plants, artificial wreaths or flowers, and shepherd hooks (plant holders) may be used for decorating graves BUT must be placed within the concrete foundation or on the monument or markers, except for Memorial Day.

For a period of 5 days preceding and 10 days following Memorial Day, the above-mentioned type of arrangements may be placed on graves providing they are in containers other than glass or pottery and set close to the monument or marker.

Cemetery personnel or Cemetery contracted personnel will be instructed to remove all items after this period.

The Cemetery shall not be held accountable or responsible for any items so placed.

Permanent metal vases attached to monuments or ground-style inverted vases cast in place with concrete foundation or granite is recommended. Plant hangers and metal markers are to be placed in cement foundations. Flowers and arrangements will be removed upon deterioration throughout the year.

Winter Months-November 16 Thru March 31.

All permanent metal vases must be placed in the inverted position to prevent breakage. The Cemetery will not be held responsible for damaged vases.

All flowers, decorations, wreaths, etc. wished to be salvaged by family members must be removed by March 31 due to Cemetery personnel removing all arrangements on graves starting April 1.

Part Seven - VISITORS

1. Any person within the Cemetery shall use only the roads, walks or alleys and at no time shall trespass on Cemetery lots, other than their own, and shall at all times conduct themselves in a quiet and respectful manner.
2. Visitors shall not pick any flowers, injure any trees or plants or mar any stone or monument.
3. Vehicles are permitted on the driveways only. The speed limit within the cemetery is 10 miles per hour.
4. NO DOGS ARE TO BE ALLOWED ON CEMETERY GROUNDS.

Part Eight - INTERMENTS

1. All graves shall be opened by workmen employed by the Oak Hill Cemetery and no filling, seeding, or other work upon single graves or lots shall be done except by such employees.
2. No interment of any body other than a human being shall be permitted or made in the Cemetery. No cremains may be spread on top of the ground within the cemetery.
3. No more than one body may be interred in any one grave, unless both are cremated, or one traditional burial and the other cremated and put on top. The traditional burial must occur first.
4. The Cemetery must have notice of an interment at least 48 hours in advance of burial. Monday morning openings require notice to be given by noon of the preceding Friday.
5. The Cemetery shall in no manner be liable for any delay in the interment of a body where a protest to the interment has been made or where it has been determined that non-compliance with the rules and regulations of the Cemetery has occurred. The Cemetery shall be under no duty to recognize any protest of interment unless it is in writing and filed with the Cemetery Secretary. The Cemetery shall not be responsible for errors resulting from orders or instructions given by telephone and the Cemetery or its Board of Directors may require such orders to be in writing before finalizing any action. All interment papers must be filled out and signed before the funeral.
6. The Cemetery shall not be liable for the interment permit nor for the identity of the body sought to be interred. The Cemetery reserves, and shall have, the right to correct any errors that may be made by it either in making interments, disinterments or removals, or in description, transfer or conveyance and substituting and conveying in lieu thereof other interment property of equal value and similar location as far as possible, or as may be selected by the Cemetery or, in the sole discretion of the Cemetery, in refunding the amount of money paid on account of said purchase. In the event such error shall involve the interment of the remains of any person in such property, the Cemetery reserves, and shall have the right to remove and/or transfer such remains so interred to such other property of equal value and location as may be substituted and conveyed in lieu thereof.
7. No cremains will be buried between November 15 and April 15. Grave spaces for cremations are restricted to Row 23 unless in a family lot with casket burials.

Part Nine - DISINTERMENTS

The Funeral Director shall provide a disinterment permit from the State of Iowa and must be present during disinterment. Cemetery employees shall exercise reasonable care in making a removal but neither they nor the Cemetery shall assume any liability for damages to any casket, vault or urn incurred in making the removal. The price of a removal will be three times that of a funeral. Disinterments will only be done Monday through Friday, April 1 through November 1.

Part Ten - MONUMENT AND MARKER GUIDELINES

1. All monuments and markers shall be placed on the west line and parallel to the width of the space. West line of concrete foundation shall be 2" east of west line of grave space.
2. All monuments and markers shall be of first quality granite, marble, field stone or cast bronze warranted by the manufacturer to be free of sap and components which may cause rust stains and form natural faults which might cause cracks or checks.
3. In certain sections, designated by the Cemetery, the lettering on the markers will be read from the east or west.
4. Should any monument or stone become unsightly, dilapidated or a menace to visitors, the Cemetery shall have the right, at the expense of the lot owner, either to correct the condition or to remove the same.
5. The Cemetery reserves the right to refuse permission to erect any monument or marker, not in keeping with the good appearance of the Cemetery.
6. There shall be only one stone per grave space.

7. All bronze flag holders, shepherd hooks (plant holders) and permanent inverted vases shall be placed in concrete foundations or granite bases.

8. A permit fee of \$50 is required, along with the approval of the Cemetery, prior to the placement of markers or monuments. The permit can be obtained by the Cemetery Secretary.

9. Any marker or monument erected without a permit may be removed by the Cemetery at the lot owner's expense.
